Philosophy

The Recreation Swim Team is a competitive team. Emphasis is placed on personal improvement, specifically stroke technique, strength, and speed. The team promotes good sportsmanship and self-discipline. Each swimmer has the opportunity to build self-esteem, physical fitness, team spirit, and new friendships. Ribbons are awarded to swimmers for personal best throughout the season. The season ends with championship meets and an awards and recognition evening in March.

The Westwood Recreation Winter Swim Team competes against other local swim teams. Ten meets, held on weekends, occur over the season. Five meets are at home and five are away. The season concludes with a regional swim meet. The meet schedule is available in October. Practice schedules are modified around the holidays.

Swimmers will practice and compete according to their age. The age cut off date is November 1, 2014. Your swimmers' age as of this date is the age that they will practice and compete in for the entire Winter Swimming Season.

Practice Schedule November 3 – March 8, 2015

	5:00 – 6:00 PM	6:00-7:10 PM
Mon	Ages 9-10	Ages 11-12
Tue	Ages 8 and Under	Ages 13-18

Mosquito Control

The Town of Westwood is a member of the Norfolk County Mosquito Control District which provides mosquito control activities. The District conducts surveillance to detect disease, water management to prevent breeding of mosquitoes in existing drainage swales and systems, larval control to control mosquitoes before they become flying adults, and adult control to manage mosquitoes. Aerial larval applications are conducted over wetlands for nuisance control in the spring. Adult Control (Adulticiding) is conducted from truck-mounted equipment (mosquito spraying) and is conducted on a weekly basis, weather permitting in the evenings after sunset by request only. Visit the District's website at www.norfolkcountymosquito.org for more information.

It is not uncommon for patients to cry with joy and hug staff upon seeing their new smiles for the first time! Patients tell us they are filled with self confidence, they feel more outgoing, and they simply can't stop smiling!

The entire staff at the office of Dr. Jitin Sahani can't wait to see your enthusiasm about your new smile. This is the real reason they are so passionate about what they do. Being involved in such a life-changing area of dentistry is significant and rewarding for Dr. Sahani and each member of the entire team. It's this passion that fuels the pursuit of excellence that it takes to be one of the premier practitioners of cosmetic dentistry in Massachusetts.
