

Did You Know?

Update of Westwood's Comprehensive Plan

The Planning Board will be updating the Comprehensive Plan (also known as Master Plan), adopted in 2000, beginning this fall through the fall of 2019. Town Planner, Abby McCabe, will be the primary contact and project manager facilitating this process. The subject areas include land use, town centers, housing, economic development, natural and cultural resources, community facilities, open and recreation space, transportation, resilience and sustainability, implementation. The Town is seeking candidates to serve on the Steering Committee who have an interest and expertise in one or more of these subject areas. Selected Steering Committee members will be responsible for collecting information and writing portions of the plan.

For more information and a detailed committee description please visit the [Comprehensive Plan](#) webpage on the Town's website <http://www.townhall.westwood.ma.us>. You may also contact the Town Planner by phone or email.

If you are interested in being considered we encourage you to go to the Town's website for more information and download the application form, submit a letter explaining your interest and specific skills and writing samples. Interested individuals can submit by October 12 an application, resume and letter of interest, and writing samples to:

Abby McCabe, Town Planner
