Memorandum

TO: Abigail McCabe
FROM: John Deckers, Fire Chief 
SUBJECT: Hawthorne at Univ. Station, Fire Department Approval
DATE: January 27, 2018

I have reviewed the revised plans (REV 1- 01/18/2018) and the Response to Comments document, specifically the responses dealing with Public Safety, supplied by Pulte Homes and I am formally confirming the Fire Department's approval of the plans as submitted.

Once construction is near completion, the Fire Department will need to discuss the placement of Rapid Entry Lock Boxes and the required keys that will be located within the boxes and available to the Fire Department in case of an emergency.
