Schedule—Each team plays the other teams in your conference twice. You will play the teams in the other conference once. A total of 10 games + playoffs

Playoffs---Every team makes the playoffs. Every team will be seeded based upon your final record. The top 2 seeds could come from the same conference, so there is no #1 seed from the Eastern Conference and Western Conference. Playoffs are single elimination until the Finals. That is a best 2 out of 3.

All Playoff dates are subject to change if we have cancelations.

Quarterfinals---March 22 & 23
Semifinals—March 29
Finals—March 30, April 5 & April 6 (if necessary)

***REMINDER!!! If Westwood Public Schools should get cancelled on the day of our league (Tue or Wed) due to a storm or any other reason, we are CANCELLED! If a storm develops during the day call 781-727-3760 after 5:00pm and there will be an outgoing message as to whether or not the league is cancelled for that night.
