

Fourth of July Safety Tips

- ! Practice social distancing when possible. Keep 6 feet away from people that are not a part of your household.
- ! Social distancing includes dogs, also keep them 6 feet away from those who are not a part of your household.
- ! When outdoors picnicking or at the beach, keep blankets 12 feet apart.
- ! Watch fireworks from an automobile or at a safe distance from other people.
- ! Wash or sanitize your hands often.
- ! Do not share water bottles or utensils for eating or serving.
