A COMMUNITY NEWSLETTER

Westwood in the “new” normal

Westwood and its residents have been diligent in responding and adjusting to life during COVID-19. Though there have been many changes to our daily lives and rituals, Westwood has risen to the occasion. The scenes pictured above show some of the changes around Town.

Summer at the Council on Aging

The **Westwood Senior Center will be closed the month of June**; this is not surprising but we wanted to make sure you all knew. As this health crisis continues, we are making decisions month to month. All special programs, trips and events have been cancelled through the summer. Our goal is to reschedule everything at the appropriate time; but honestly we believe this won't happen for months. The good news is that a number of our classes (yoga, exercise, line dancing, music) are now running on cable and we are now exploring more zoom classes (presently we zoom cooking classes and current conversations). We are also hopeful to add more zoom and cable classes in the next few months.

So if you are homebound, here are a few free cable programs you might enjoy (more will be added this summer):

Monday

9:00-9:45 - Cardio Strength & Stretch
10:00-10:45 - Line Dancing
11:00-12:00 - Music Matters

Tuesday

8:00-9:00 - Floor Yoga
9:30-10:30 - Chair Yoga
11:00-12:00 - Music Matters

Wednesday

9:00-9:45 - Sit and Get Fit
10:00-10:45 - Line Dancing
11:00-12:00 - Music Matters

Thursday

8:00-9:00 Floor Yoga
9:30-10:30 - Chair Yoga
11:00-12:00 - Music Matters

Friday

9:00-9:45 - Cardio Strength and balance
10:00-10:45 - Line Dancing
11:00-12:00 - Music Matters

THEY CAN BE FOUND ON LOCAL CABLE Comcast 8 & 12, and Verizon 32 & 42

Meals on wheels continue to grow; any Westwood resident 65 or older needing a daily meal please calls HESSCO at 781-784-4944. We are also available to grocery shop for homebound at risk elders, just give us a call at the Center.

We will begin (slowly) adding grocery shopping with our van, but will do this on a very limited basis (only two seniors on the van at a time). *A COA summer newsletter will be going out in mid-June with all the details.* Please be patient and do not call us for a ride until you read the summer newsletter. Our goal is to keep everyone safe (seniors and staff) during this pandemic. No medical van trips yet ... we need to first see how the grocery shopping goes before we start medical appointment rides.

The COA staff, COA Board, volunteers and the town administration (as well as Westwood Media Center) have been amazing at keeping everything moving forward, and we are deeply grateful for everyone's help.

Please know we are still here (in the office Monday through Friday 8-2pm) if you need us; the Center staff is working remotely as well as rotating coming into the office.

The Steering Committee has been working over the last year and half to update the 2000 Plan for 2020. The Committee is in the process of incorporating all comments received and working on final editing to return to the Planning Board in summer 2020 to present a final updated Comprehensive Plan for 2020.

For more information and drafts please visit the Comprehensive Plan Steering Committee's webpage at www.bit.do/WWComprehensiveplan. The first drafts are available for viewing and the updated final drafts will be posted once they are prepared, which is anticipated to be June 2020.

The best way to stay informed about meetings and when a public hearing on a fully updated Comprehensive Plan will be presented to the Planning Board is by signing up to receive email notifications for public meetings. Recycling Contaminants of any sort cost the town money due to additional processing fees, help by recycling the right materials and minimizing the amount of trash you dispose of (use the recycle coach app for do's & don'ts).

Monthly Focus:

Take-Out Containers are another big contaminant offender. Here are some helpful guidelines:

Clear Plastic containers: Rinse or wipe clean all food residue and recycle

Clear Plastic Lids: Rinse or wipe clean all food residue and recycle

Paper / Cardboard Containers: Trash

Plastic Plates, Bowls & Cutlery: Trash

Black Plastic Containers: Trash (optical sorters at the sorting facilities cannot see it on the black conveyor belts)

Every town is different on recycling rules, however we try to follow state guidelines as much as possible (<https://recyclesmartma.org/results-materials/#>).

Thank you or doing your part!
