Friday, September 18, 2020

Good Afternoon Westwood Residents,

As a follow up to the message sent out last week regarding a staff member in our Recreation Department who had experienced COVID-19 like symptoms, I am calling to inform you that the staff member received a COVID-19 test and the results came back negative.

As a result, the town will be resuming all Recreation Department programming and all aquatics activities effective today, Friday, September 18, 2020 beginning at 4:00 p.m.

During the brief closure, while waiting for the test results, the town did have the space used by the Recreation Department including the pool and administrative offices professionally cleaned and sanitized.

Please continue to practice social distancing and follow Governor Baker's May 1, 2020 order regarding face coverings.

Sincerely,

Christopher T. Coleman, ICMA-CM
Town Administrator
