The Massachusetts Department of Public Health is now reporting COVID-19 cases by city and town. This information is updated each week on Wednesday and is available for your viewing [here](#). In addition, daily updates and information about COVID-19 and necessary precautions continue to be available on the [MDPH COVID-19 website](#).

**A message from the Health Director:**

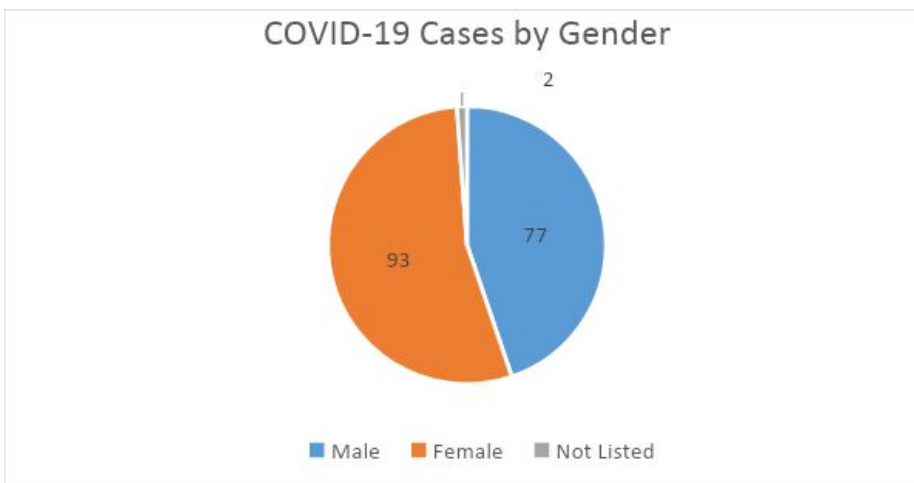

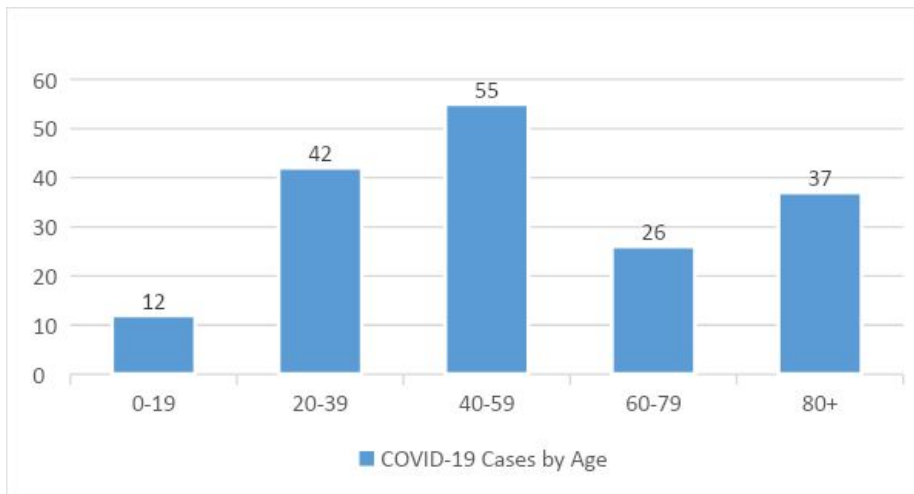

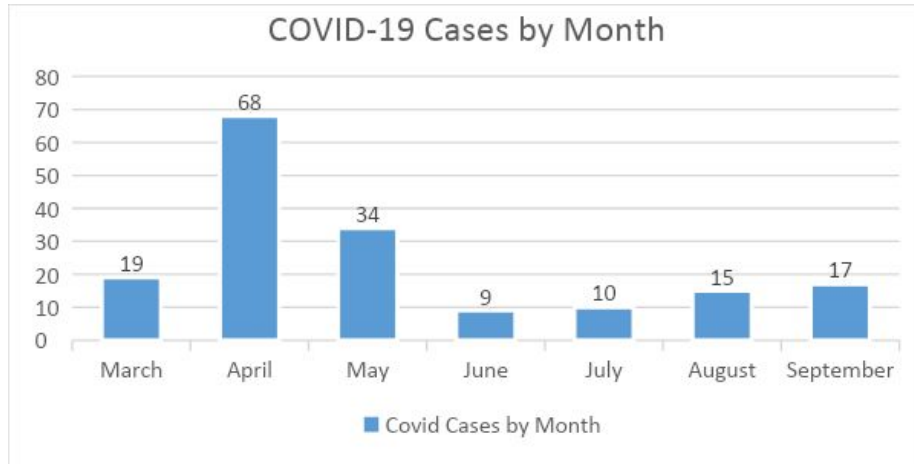

This week we added 3 new Positive COVID-19 cases to our town tally. Our color designation remains yellow (5.8 per 100K). Our percent positive test rate increased slightly to 1.01%.

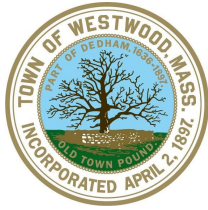

The BOH expects to be recognized by the Commonwealth as a low risk community. Being designated low risk will allow us to move into Phase 3 Step 2. This new step will enable many businesses. In order to remain a low risk community, we must all do our part to minimize the spread of infection.
