## Smoke/CO Detector Inspection/Home Sales

### Hours of Inspection: Monday-Friday, 9:00 a.m.- 12:00 p.m.

- Fees - depends on number of occupancies (Single family home is normally \$40)
- Request for inspection must be made through [VIEWPOINT](#) our Online Permit/Inspection Portal
- Certificates are valid for 60 days
- Inspections are performed by our Fire Prevention Division. Delays may be encountered due to emergency calls
- Certificates will NOT be issued for detectors that are over 10 years old, have been painted over, or are covered with dust or grease.
  - These must be replaced.
  - This requirement does not apply to *fire alarm systems*, i.e. fire alarm panel monitored by company.
- Hard-wired systems installed after 8/27/1997 must be tested in battery-backup mode. Please know which circuit breaker controls your system.
- If applicable, please have passcode to alarm system. We will be unable to test your system without it.
- Building address must be permanently affixed to the building or in such a manner that it is visible from the street.

For additional information please refer to the [Home Sales](#) link found on the Fire Department Home Page, under Public Safety, or call the Fire Prevention Office at 781.320.1063.
