Walpole
Westwood
Wrentham

What will the Neponset Valley be like when businesses open back up? That's a big question – but there's an even bigger one: **What do we want it to be like?**

Neponset Valley communities are working with the Neponset Valley Transportation Management Association and Metropolitan Area Planning Council to figure out how to make transportation in our area **better than before COVID**, especially at sites along Routes 1 and 1A.

Tell us what you think! This survey will take about five minutes, and it's anonymous. We'll use your answers to plan for improvements.
