Pursuant to Chapter 20 of the Acts of 2021, On June 16, 2021, Governor Baker signed into law An Act Extending Certain COVID-19 Measures Adopted during the State of Emergency. This Act includes an extension, until April 1, 2022, of the remote meeting provisions of his March 12, 2020, Executive Order.

This meeting will be conducted via remote means. Members of the public who wish to access the meeting may do so by using the Webinar link below. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, for reasons of economic hardship and despite best efforts, we will post on the Town website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

NOTE: Per changes to Open Meeting Law, effective July 1, 2010, notice of any meeting of public body shall include "A listing of topics that the chair reasonably anticipates will be discussed at the meeting". Topics must give enough specificity so that the public understands what will be discussed, but not necessarily all items that may come up. Please list those topics above.
