All interested residents and property owners are invited to attend this workshop. Please come learn what the Town has accomplished and share your ideas as we plan for the future. Public input is an essential part of the process, and we want your input on how Westwood can reduce risk from natural hazards and build climate resilience!

If you can't make the November 3rd workshop, you can still review the draft HMP here:

[DRAFT OF NATURAL HAZARD MITIGATION PLAN FOR PUBLIC COMMENT](#)

NOTE: Per changes to Open Meeting Law, effective July 1, 2010, notice of any meeting of public body shall include "A listing of topics that the chair reasonably anticipates will be discussed at the meeting". Topics must give enough specificity so that the public understands what will be discussed, but not necessarily all items that may come up. Please list those topics above.
