

The Westwood Recreation Department's pool will be closed Monday March 6th through Sunday April 23rd. During this time, the pool deck tile will be replaced. If the project is completed early, then the pool will re-open at that time. I will keep you updated.

If you currently have an active/paid Westwood Pool membership at this time it will be placed on hold during the construction period and will resume when the Westwood Pool re-opens.

Please e-mail Holly Coots at hcoots@townhall.westwood.ma.us directly with any questions.
