MetLife GIC Retiree Dental	\$29.36	\$70.75

MetLife GIC Retiree Dental plan offers an annual benefit maximum of \$1,250 per member, per calendar year. Please refer to the Summary of covered services for more details.

As a member of this plan, you may go to the dentist of your choice. However, you will save money by visiting one of the over 370,000 nationwide network of participating dentists. When you visit a MetLife provider, your out-of-pocket expenses will be lower, as you usually pay the lower negotiated fee, even after you have exceeded your annual maximum.
