The Board shall hear an application filed by Kaden and Joan Fund for a Special Permit pursuant to the Westwood Zoning Bylaw Sections §4.5.3.2.2 [Alterations of Nonconforming Structures-Vertical Extension]. The Petitioners propose to construct a second story addition consisting of two bedrooms and a full bath to an existing single-family home. The addition increases the height of the building in the rear setback. The existing structure is nonconforming as it violates both the front and rear setbacks. The structure is located 8.4' from the front lot line where 25' is required, and 10.2' to the rear lot line where 30' is required. The lot is also nonconforming due to lack of area. The property is located in the Single Residence D (SRD) zoning district.

Land affected: 22 Reed Avenue
