

*[This link](#) is to the 25% Design Plans currently under review by MassDOT. The scope of the improvements is evolving, and our team is working with MassDOT to revise this design in advance of the Fall 2023 25% Design Public Hearing. If you are a direct abutter to the project and would like to schedule a one-on-one meeting at DPW to discuss the plans in more detail, please contact the Public Works Department at 781-326-8661.*
