The Board shall hear an application filed by George Katsilieris for a Special Permit pursuant to the Westwood Zoning Bylaw Sections §4.5.3.3 [Special Permit required for New or Expansion of Nonconformity]. The Petitioner proposes to remove the existing attached single story one car garage and mudroom to construct a two-story addition consisting of a front porch, family room, bedroom and bath. The addition will raise the height within the rear setback and construct in the front setback. The addition violates the rear setback at 0.8' where 30' is required. This is the same distance as the existing garage to be removed. The main structure is at approximately 5.6' from the rear setback. An addition to the existing enclosed front porch will reduce the front setback from 19' to 15' where 25' is required. The lot is nonconforming due to a lack of area at 4,959 Sq. Ft. Where 12,000 sq. ft is required. The property is located in the Single Residence D (SRD) zoning.

Land affected: 38 Bonney Street  
Map 21, Lot 265

**Should any person or party desire for any written material, including legal arguments or positions, to be considered by the Zoning Board of Appeals in connection with any petition before the Board, such material shall be submitted to the clerk of the Board no later than five (5) calendar days before the public hearing on the petition, or such material shall not be considered.**
