re: #326 – 350 Blue Hill Drive – DEP file #338-0750 & #338-751 - Minor Modification  
Assessors Map 26, Lots 018 & 019

Dear Mr. Petrozzi:

Please be advised that at their September 13, 2023 meeting, the Westwood Conservation Commission unanimously agreed that the relocation of the 12" water main as shown of the attached sketch plan is not significant to the interest of the Wetland Protection Act or a significant change in the approved plan and shall be considered a minor modification. The Commission would like the applicant to use their best effort to relocate the main through Dedham. If this is not possible the applicant must return to the Commission with another request for minor modification.

Should you have any questions or need additional information, please do not hesitate to contact me.

Thank you,

Karon Skinner Catrone  
Conservation Commission Agent
