Holiday Schedule
 When an observed holiday falls on a normal collection day, collections will be delayed by one day for the rest of the week.
 The following holidays will result in delayed collections:
New Year's Day ~ Memorial Day ~ Independence Day ~ LaborDay ~ Thanksgiving Day ~ Christmas Day

Additional Resources
 For complete and useful trash & recycling information at your fingertips, please visit westwoodrecycling.com to get the free **Recycle Coach App**.

- automatic reminders of your collection calendar/schedule
- notifications of delays, updates & special events
- check what items go where (recycle or trash, bulk/white goods, do's & don'ts)

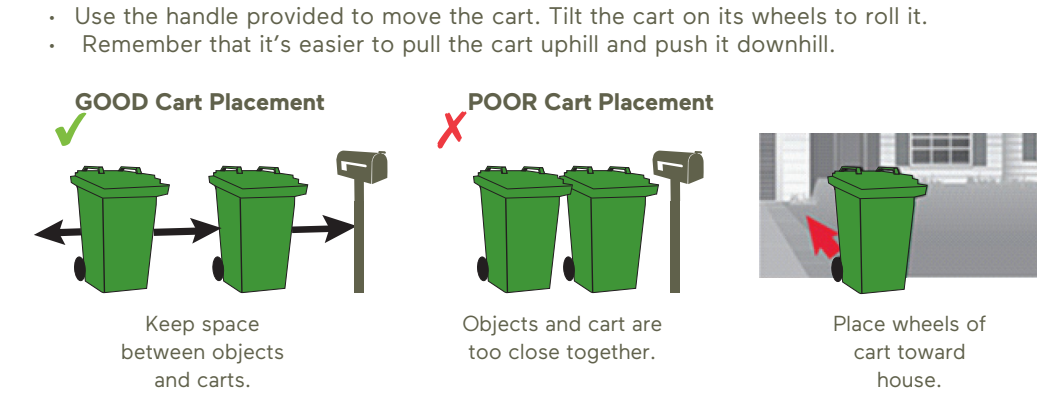

For clean out projects
 The **Bagster Bag** gives customers the strength of a steel dumpster in the convenience of a bag. Bagster Bag is the easiest solution to help tackle home improvement projects, remodeling, and home and garage cleanup. The Bagster is not intended for moves or large clean outs. Contact Waste Management at (800) 972-4545 for more information on how to handle larger projects. Visit TheBagster.com to see more on the Bagster and how much collection is in your area.

Tips for the best service

- Always keep cart lids closed to keep rain, snow and animals out
- Make sure all materials fit inside your carts with the lids closed
- Always bag your trash to keep cart clean and sanitary
- Clean your cart periodically

Since automated waste collection requires clearance for the vehicle's lifting mechanism, any cars parked at the curb should be at least 5 feet away from the carts.

Town of Westwood Trash & Recycling Services 2024

Dear Westwood Resident:

The Town of Westwood provides a comprehensive waste and recycling program designed to reduce materials headed to the landfill and ensure that all waste is disposed of in an environmentally responsible manner. WM looks forward to helping Westwood be as clean – and green – as possible in the years ahead. We take this opportunity to provide you updated information regarding your waste and recycling services.

ANY MISSED PICKUPS MUST BE REPORTED TO THE TOWN OFFICE WITHIN 24 HOURS AFTER THE SCHEDULED SERVICE DAY.
Town Office: dpw@townhall.westwood.ma.us OR (781) 251-2587
(Everything to be collected must be curbside by 7 a.m.)

Please visit the town website for more information

www.westwoodrecycling.com
or contact WM: (800) 972-4545 or visit wm.com

Thank you and we appreciate your cooperation.
Sincerely,
WM

Schedule

Trash will be collected weekly, and recycling will be collected every other week on either the Green or Blue Weeks - please see the **2024** Collection Calendar on the back of this brochure. When an observed holiday falls on a collection day, pickup will be delayed one day for the remainder of the week. Observed holidays are indicated on the collection calendar in this brochure.

Carts must be at curbside by 7 a.m. on your scheduled collection day. The placement of your cart is very important since the collection vehicle's lifting arm requires clearance: 3 feet on both sides, and 12 feet overhead. The carts should be no more than 3 feet away from the road's edge with the arrow facing the road and the hinges facing away from the street.

All carts are owned by Town of Westwood and shall not be removed from your property. It is the property owners responsibility to keep the carts clean and well maintained.

Trash

All regular household trash should be bagged and placed in the 65-gallon cart for collection. **Items outside of the cart will NOT be collected unless in the approved overflow bags.** Overflow Bags are available for purchase at the DPW office located at 50 Carby Street during regular business hours. You may also purchase them at Town Hall, Roche Bros and Walgreens on High Street. Overflow bags are sold in rolls of 5 for \$10 and each bag holds 33-gallons of trash. These are only needed for extra trash that will not fit inside your trash cart. Nothing should be placed on top of your barrels or carts. Report within 24 hours of a missed pickup.

The following items may NOT be placed in the 65-gallon trash container:

- Recycling
- Construction/demolition debris
- Yard Waste
- Household hazardous waste
- Dirt, sod, concrete or rock
- Hot ashes or flammable Materials such as oil, gas or paint

Recycling

Each resident has a 95- gallon cart for recycling. Your recycling container should be placed curbside every other week on the same day as your regular trash collection. Recycling carts with blue lids will be picked up every other week on the Blue Recycling Weeks schedule. Recycling carts with green lids will be picked up on the Green Recycling Weeks schedule. Please refer to the Collection Calendar on the back of this brochure to determine your recycling collection weeks.

Recycling not only conserves precious natural resources, but also helps to reduce costs by decreasing the amount of materials that go to the landfill. The Town participates in profit-sharing with WM for recyclable materials. Put your tax dollars to their best use by minimizing the amount of trash you dispose of and recycle the right materials. Contaminants of any sort in recycling cost the Town money due to additional processing fees. See the adjacent panel to learn how Westwood residents can Recycle Right! Report within 24 hours of a missed pickup. <https://www.wm.com/us/en/inside-wm/recycle-right/recycling-101>

Bulk Waste and White Goods

Bulk waste items are items that will not fit into your trash cart, such as furniture, mirrors, rugs, nothing with a plug, etc.

White goods are items such as washers, dryers, small compact metal items, refrigerators with the doors removed, computers, TV's, etc.

Contact WM at (800) 972-4545 or visit wm.com to schedule an appointment for a pickup of bulk waste and white goods. Fees vary. If you are not in a hurry to have your bulk item collected, please see information on the next page regarding Westwood's Household Bulk Item Collection Event.

Effective November 1, 2022 per order of the Mass DEP: Textiles, mattresses, and box springs are now considered Waste Ban items and will no longer be accepted in the WM curbside collection programs. Visit www.westwood.recycling.com for information.

Leaves and Yard Waste

Leaves and yard waste (grass clippings, leaves, twigs, etc.) will be collected 10 weeks throughout the year (See calendar for dates). Leaves MUST be placed in paper leaf recycling bags or 'loose' in barrels clearly marked 'Leaves.' Each barrel and/ or bag shall not exceed 45 pounds. Yard waste cannot be placed in plastic bags - any yard waste in plastic bags will not be collected. Barrels and bags must be placed at the curb by 7:00 a.m. Please report within 24 hours of a missed pick up. **Yard Waste collection weeks:**

April 1 - 5, May 13 - 17, June 10 - 14, July - No Collection, August - No Collection, September 16 - 20, October 7 - 11, 21 - 25, 28 - November 1, 11 - 15, 18 - 22, 25 - 30.

The Town does not pick up brush, branches, and limbs unless they fall from a public tree. Please call the Westwood Fire Department for more information on private burn permit, (781) 326-3885.

Household Hazardous Waste Day

Saturday, September 14, 2024

Household Recycling Event

Saturday, May 4, 2024 & Saturday, October 5, 2024

Household Bulk Collection Event

Week of March 18, 2024 & October 14, 2024.- Residents will be allowed to set out at the curb 1 bulk item per household on your regular scheduled collection day free of charge. No appointment is needed. This offer does not include the collection of white goods, mattresses or box springs.

Special Waste

Sharps Collection Program:

Residents can dispose of their sharps containers anytime in the sharps kiosk now located at the Municipal Building, 50 Carby Street. Do not put loose needles, boxes or oversized containers in the kiosk. The appropriate size containers can be obtained from the Senior Center, Town Hall and Health Department. For more information please visit the town website.

Medication Collection Program:

Residents can dispose of expired prescription and over the counter medications in the Medication Collection Box located in the lobby of the Westwood Police Station on High Street.

Mercury Collection Program:

Mercury thermometers, thermostats, switches and products that contain liquid mercury can be recycled. Call the Health Department for more information, 781-320-1027.

Fluorescent bulbs are collected at the Household Hazardous Waste Day in the fall.

RESIDENTS, HELP NEEDED: The Department of Public Works would like to request important assistance from each household. Our recycling contamination has increased significantly. We have been fortunate though both your efforts and negotiating to not feel the impact of a contamination charge for a while. Based on the results of our most recent audit, additional contamination charges will be applied if we cannot correct this. With the help of each of you, we are certain we can correct this issue. Please help us recycle right by following the recommendations outlined in this guideline or visit <https://www.townhall.westwood.ma.us/departments/public-works/recycling-waste-management>
