

# Annual Town Election

## April 30, 2024

### Helpful Hints

#### Political Sign Placement

#### Temporary Signs-Zoning bylaws sec.6.2.11

- Political signs are permitted in all districts and do not require a permit from the Building Commissioner.
- They may only be installed with the permission of the property owner.
- No sign shall be installed such that the highest point of said sign is more than three (3) feet above ground level, and exceed 20 square feet.
- There shall be no more than two (2) temporary signs installed on any premise at any one time.
- They must be removed within 48 hours after the Election.
- They shall not be attached to utility poles, fences, walls, trees or other vegetation, nor shall they be installed upon a sidewalk or public way.
- They are not permitted to be placed on any Town owned property.
- It is difficult in many neighborhoods to discern where the Town's land begins and ends. In general, the Town owns between 5 and 10 feet from the paved edge of a street without sidewalks. Usually you can rely on placement of plantings, walls and fences to discern the lot line. Any area on the street side of these landmarks is generally Town owned. On streets with sidewalks, the lot line is usually 1 to 2 feet from the inside edge of the sidewalk. An effort is often required for placing political signs on private property that are visual to your neighborhoods.
- Please inform your Campaign Managers and Supporters of these regulations.
- Sign holds- Any location as long sign holders do not impede traffic or create a safety hazard

## **Campaign Finance Requirements for Municipal Candidates**

- [Municipal Candidate Guide.](#)
- [Online Training for Candidate & Treasurer.](#)
- Every candidate who appears on the Town ballot must file campaign finance reports, even if no money was raised or expended. The existence of a committee is not a factor.
- All candidates must submit a [CPF M101](#) organizational form with the Town Clerk. If you are not forming a committee you must still file with the notation, "Candidate Only" written at the top of the form (leave the treasurer and chair sections blank). This courtesy informs the community that you're running, but not forming a committee.
- [Information regarding Appointing a Treasurer.](#)
- Office of Campaign & Political Finance recommends that all candidates form a campaign committee, especially if money is raised or spent. However, the law does not require a candidate to form a committee.
- Candidates who raise money must open a bank account.
- Every candidate who appears on the Town ballot must file campaign finance reports, even if no money was raised or expended. The existence of a committee is not a factor.
- OCPF highly recommends forming a committee for all candidates who are also appointed public employees. Public employees are prohibited from soliciting or receiving funds for any political purpose. A committee raises all money for a public employee who also runs for office.

- Every Candidate and his or her political committee, if any, is required to file Form [CPF M102](#) on or before each reporting date if they have raised, expended, or had any financial activity relating to his or her candidacy(see Below).
- The [CPF M109](#) form can be used by a candidate who has no activity, no balances and no committee. This form will be filed once in lieu of pre-preliminary, pre-election and post-election reports. However, a standard [M102](#) or [M102-0](#) year-end report must still be filed by all candidates.
