AUTHORIZATION – I have read the instructions on the reverse side of this form and direct my pension authority to deduct from my pension check the amount required for the coverage I have selected. If premiums are not deducted enrolled members may receive a bill for premiums due from the GIC or participating municipality. I understand that my health insurance coverage elections are binding for the duration of the plan year and that I may only enroll in health insurance or change my coverage elections during the plan year if I experience a qualifying status change (examples include marriage, adoption/birth of a child, death of a dependent, and involuntary loss of other coverage). I understand that the GIC must receive any required documentation within 60 days of the event. **You must notify the GIC of a legal separation, divorce or remarriage of you or your former spouse; coverage for a former spouse ends upon remarriage. Failure to notify the GIC can result in financial liability to you.**

Signature of Applicant: _____ Date: _____

Signature of Authorized Official: _____ Date: _____

Deadlines and Required Documentation

- **Required documentation:** To add a spouse or dependent to coverage, documentation is required. Do not send original documents because they will not be returned. Visit our website for the Required Documentation list: mass.gov/info-details/gic-forms.
- If you and/or your spouse is **Medicare eligible** and ***not already enrolled in GIC Medicare*** coverage, the following documentation is needed:
  - Be sure to indicate you and/or your spouse's Medicare Claim number on the front of this form.
- If you and/or your spouse are over age 65 and ***not eligible for Medicare*** and have not already provided the following documentation to the GIC, it must accompany this form:
  - Social Security Denial letter stating that you and/or your spouse are not eligible for Medicare Part A for free.
- **Annual Enrollment:** Completed forms and required documentation must be received by the GIC by the end of the Annual Enrollment period.
- **Qualifying Status Change:** Retirees and survivors with a qualifying status change must submit completed forms with proof of the qualifying status change (e.g., marriage or divorce) to the GIC within 60 days of the qualifying event.

Enrolling in health insurance for the first time: Use this form in addition to Form-1A to enroll at retirement in GIC health insurance for the first time. You must send with this form a copy of the letter from your retirement board approving your retirement. State retirees please note that your health insurance election includes basic life insurance.

Retiree and Spouse Coverage if Under and Over Age 65

If you (the retiree), your spouse or other covered dependent is younger than age 65, the person or people under age 65 will continue to be covered under a Non-Medicare plan until you and/or he/she becomes eligible for Medicare. Be sure to choose "individual" Non-Medicare coverage if only covering one Non-Medicare family member; select "family" Non-Medicare coverage if covering two or more Non-Medicare family members.

If enrolling in one of GIC's Medicare Plans, you will be automatically enrolled in the GIC's SilverScript Medicare Part D prescription drug plan. After your enrollment is processed by the GIC, you will receive a mailing from SilverScript with information about the plan and advising you that you have the choice to opt out of the prescription drug plan.

IMPORTANT: The opt-out letter is required by Medicare, but we do not recommend that you do so because **if you opt out of SilverScript, you will lose your GIC medical, prescription drug and behavioral health coverage. If you enroll in another non-GIC Medicare Part D plan anytime throughout the year, you will lose your GIC medical, prescription drug and behavioral health coverage.**

Tufts Medicare Preferred: If canceling or changing from this plan to another GIC Medicare option, you must also complete and send to the GIC a Medicare Advantage Plan/Disenrollment form.

Form and Document Submission –
Effective dates of coverage cannot be changed after coverage election has been made and submitted to GIC. Incomplete forms and insufficient required documentation may result in no coverage or a delayed effective date.
