The Board shall hear an application filed by Aaron Guazzaloca on behalf of Weston & Sampson for a Special Permit pursuant to the Westwood Zoning Bylaw Section §9.3.5.1 [storage of hazardous materials in the Water Resource Protection Overlay District] and a Variance pursuant to Sections §10.4 and 5.2 [dimensional requirements], footnote 3. The Petitioner proposes to construct an approximately 2,831 sq. ft addition to the front of the existing Dedham Westwood Water District White Lodge Treatment Plant located at 154 University Avenue, Westwood. The parcel itself is nonconforming due to lack of frontage on a public way. The proposed addition would create a new non-conformity with the front of the building at 12.6' from the closest street line where 50' is required. The property is located in the Industrial(I) zoning district, and within the Water Resource Protection Overlay District (WRPOD).

Land affected: 154 University Avenue
