re: #229 High Street – SMP #061 - Minor Modification
Assessors Map 5, Lot 38

Dear Mr. Mutha:

Please be advised that at their July 10, 2024 meeting, the Westwood Conservation Commission unanimously agreed that the following modifications, which include:

1. additional disturbance for trenching between the street and the new dwelling for electrical conduit,
2. laying and installing sewer manholes, and
3. replacing a section of the existing sewer pipe near the bottom of the driveway,

as shown on the plan titled "GRADING, STORMWATER & EROSION CONTROL PLAN", dated 4/6/21, last revised 6/24/24, stamped by Gamze Munden of Munden Engineering, P. O. Box 870236, Milton MA 02187, are not significant to the interest of the Westwood Stormwater Management Bylaw, Chapter 350, or a significant change in the approved plan and shall be considered a minor modification.

Should you have any questions or need additional information, please do not hesitate to contact me.

Thank you,

Karon Skinner Catrone
Conservation Commission Agent
