Walking Discussion

Cheryl Borstein and Michael Petta discussed how they had walked down every street in Westwood for each street's entire length starting in March of 2021, consisting of 303 roads, and taking 4.5 months and 178 hours to accomplish this. They were invited to the meeting to tell the committee about it after an article describing this feat appeared in the local weekly newspaper.

Gay Street Sidewalk

The Gay Street sidewalk project was discussed with the hopes that the project would come up again in the near future for consideration and placement on the Town budget. The committee considered how and when to promote this objective.

New Business from residents in attendance

- William Sulyma presented his concerns about the condition of sidewalks at various locations, including Pond and Oak Streets, and Nahatan Street opposite the Thurston School driveway entrance.
