The Board shall hear an application filed by Paul McGovern for a Special Permit pursuant to the Westwood Zoning Bylaw Section §4.5.3.2.2 [Alterations of Nonconforming Structures-Vertical Extension]. The Petitioner proposes to construct a second-floor addition over an existing two-bay garage attached to a single-family home. The existing east garage wall violates the side setback at 13.2' where 15' is required. The proposed construction would extend that garage wall in the side setback vertically to accommodate the second story addition. The property is located in the Single Residence B (SRB) zoning district.

Land affected: 34 Cushing Road
Map 32, Lot 082
