Letter from the Director

Last newsletter I wrote about the budget; in this newsletter I want to explain Leadership and how we run the Center. Most towns have a Council on Aging (COA) which have directors and staff but are governed differently town by town.

In Westwood, the Director reports directly to the Town Administrator and the Center's staff report to the Director. However, as Director, I also work closely with the COA Board, which are nine volunteers approved by the Selectmen (they are listed on the back of this newsletter). These dedicated residents meet quarterly to discuss the direction of the Center as well as approve all budgets.

The Friends of the Senior Center are a much larger group of volunteers who help raise funds for the programs at the Center. They meet quarterly to discuss programming and approve requests by the COA Board and Director. (Presently, Ronnie Sullivan is President, Mary Hunt is Vice President, Susan Petrie is Treasurer, Marge Eramo is Assistant Treasurer and Mary Mahony is Secretary). They collect the program donations and other income and in return, underwrite the programs as budgeted.

Together the COA Staff, Board and Friends have created a Center that is warm, welcoming as well as helpful to Westwood residents as they age.

So as we are heading into spring, the Center will be hosting some fun and interesting new programs. We have three intergenerational program this spring, one at Powisett Farm (students ages 5-8); one at Deerfield School (students in 4th grade) and one at Thurston Middle School (7th grade students). We are always looking for new volunteers, so if you are interested please stop by and see me.

With March comes St. Patrick's Day — a day of celebrating everything Irish and green! Once again we are blessed to have Clark House at Fox Hill Village underwrite this fun luncheon and Westwood's Cultural Council underwrite Doolin, an Irish Duo. We also have a number of special programs including a Caring for the Caregiver Program (sponsored by the Disability Committee of Westwood), a Real Estate Program (sponsored by Elaine de Reyna), a Healthy Brunch (sponsored by Brookdale of Dedham), a Hospice Program (sponsored by Hospice of MA) and a program called Minds in Motion that will stimulate your brain!

In April, we have two Gary Hylander lectures underwritten by New Pond Village of Walpole; a Shredding Day sponsored by District Attorney Michael Morrissey, a special luncheon to cheer on the Red Sox, a conversation on elder abuse with attorney Jim Sullivan, as well as a discussion on Paying for Care sponsored by Amada. Town Elections are on April 25th so we will not have any programs that day but if you need a ride to the polls, please let us know in advance.

Happy Spring Everyone!

Karen's Corner—Outreach Counselor HOME SAFETY

The Westwood Fire Department is running a Fire Safety and Fall Prevention program which offers free home safety inspections to seniors in town. The program was developed by the National Fire Prevention Association and the Centers for Disease Control and Prevention in order to help seniors live safely at home for as long as possible.

Westwood Firefighters will do a quick safety check of your home and provide you with tips to keep you safe. They will even assist you in replacing old smoke detectors, carbon monoxide detectors or batteries. Detectors and batteries are paid for through charitable donations and are free of charge to you. To take advantage of this great opportunity, please call Karen at the Council on Aging at 781-329-8799 to sign up for your free home safety inspection today!
