**PLANNING BOARD**

TOWN CLERK  
TOWN OF WESTWOOD

**DECISION OF THE PLANNING BOARD  
OF THE TOWN OF WESTWOOD**

**APPLICANT:** Clear Wireless LLC  
**PROPERTY**  
**LOCUS:** 213 Fox Hill Street  
Assessors' Map 9, Parcel 65

**MEETING:** The Planning Board of the Town of Westwood held a public hearing in accordance with the General Laws of the Commonwealth of Massachusetts on Tuesday, November 10, 2009, in the Champagne Meeting Room at the Carby Street Municipal Office Building, 50 Carby Street, Westwood, Massachusetts, at which meeting the Planning Board considered the request of Clear Wireless LLC for approval of an application made pursuant to the provisions of Section 7.3 [Environmental Impact and Design Review] and Section 9.4 [Wireless Communications Overlay District] of the Westwood Zoning Bylaw.

**PROJECT SUMMARY**

Clear Wireless LLC proposes to install three (3) new backhaul dish antennas and associated cabling on the exterior of the existing Dedham-Westwood Water District water tanks located at 213 Fox Hill Street, which tanks are the property of the Dedham-Westwood Water District. Two of the proposed backhaul dish antennas will be attached to the water tank at the 80' centerline, directly beneath existing panel antennas. One of the proposed backhaul dish antennas will be attached to the water tank at the 90' centerline, directly above existing panel antennas. Cables will connect the backhaul dish antennas to an existing ancillary equipment cabinet located within the fenced area surrounding the water tank.

**DECISION**

The Planning Board, by a vote of four in favor, with one abstention and none opposed, hereby submits its **approval** pursuant to Sections 7.3 and 9.4 of the Westwood Zoning Bylaw for the Project as described in the application therefor

dated October 14, 2009 and recorded in the Office of the Town Clerk on October 19, 2009, and all related submissions (together hereinafter referred to as the "Project Plans") filed with the Planning Board by or on behalf of the applicant:

5. All of the foregoing plans and reports are hereby incorporated by reference and made part of this Decision.

### **CONDITIONS**

The foregoing approval is issued to the Applicant for the aforementioned Project in accordance with the terms and conditions set forth below, all of which are an integral part hereof:

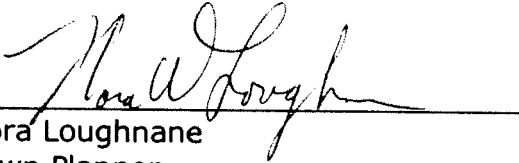

1. Except as modified by the conditions and findings hereof, the Project shall comply with the Project Plans in all respects, and the Applicant shall pursue completion of the Project with reasonable diligence and continuity.
2. The visual and aesthetic impact of the backhaul dish antennas, mounting brackets and any other attachments shall be minimized to the fullest practical extent. The antennas and cabling shall be painted to match the color of the water tanks.
3. No entrance, however temporary, shall be made onto any adjacent property, and no disturbance to such property shall occur, without the express approval of the owner of such property in the form of a construction easement or similar legal instrument.
4. The applicant shall verify, through a report of an independent radio engineering consultant, that the new and/or replaced antennas will not interfere with nor have any negative effect on the Town's emergency radio communications, and that the radio frequency emissions at this site are not measurably increased by the new antennas.
5. No new overhead wiring shall be installed at this site without further approval by the Planning Board.
6. A copy of this decision shall be delivered to and reviewed by all contractors and subcontractors, and shall be incorporated into each contract and subcontract associated with the Project.
7. All antennas, cabling and accessory equipment shall be removed within six (6) months of abandonment or discontinuance of use. The Planning Board shall receive notification of any abandonment or discontinuance of use.
