FINDINGS

In consideration of all of the testimony and exhibits and documents submitted before the Board, the Board makes the following findings of fact:

1. At a Board of Appeals hearing on June 17, 2015, the Petitioner was granted special permits for the properties they are leasing from Glacier LLC at 60 and 90 Glacier Drive respectively (collectively, the "Property").
2. The special permits for 60 Glacier Drive were granted under the Westwood Zoning Bylaw Section 4.1.5.8 entitled Motor Vehicle Sales and Rental, under Section 4.1.5.9 entitled Motor Vehicle General Repairs and Body Repair and under Section 4.1.5.11 entitled Car Wash in order to convert the space to automotive sales and service.
3. Paragraph 2 of the Decision and Conditions for 60 Glacier Drive filed with the Town Clerk's office on July 22, 2015, provided that if the Planning Board, in subsequent meetings, found or placed any conditions on the property which altered or reclassified the plans or use submitted to the Board of Appeals for their hearing on June 17, 2015, the Petitioner would be obligated to reapply to the Board of Appeals for the proper and/or additional Special Permits as required.
4. A special permit for 90 Glacier Drive was granted under the Westwood Zoning Bylaw Section 4.1.7.4 entitled Other Uses in order to allow a third and final year for temporary storage of new vehicles on site.
5. At a hearing held on July 7, 2015, the Planning Board, at the request of the Petitioner, granted an Environmental Impact and Design Review (EIDR) of the proposed plan for automotive uses including outdoor vehicle storage throughout the contiguous properties located at 60 and 90 Glacier Drive.
6. At a hearing held on March 21, 2017, the Planning Board, at the request of the Petitioner, granted an Environmental Impact and Design Review (EIDR) for an expansion of the use and approved the Special Permit request for a reduction from the minimum required parking spaces as shown on the Proposed Parking Plan last revised February 17, 2017.
7. The Proposed Parking Plan prepared by Kelly Engineering Group, Inc., 0 Campanelli Drive, Braintree, MA 02184 dated June 8, 2015, was revised June 18, 2015, September 3, 2015 (to reflect modifications by the Planning Board at their hearing on July 7, 2015) and most recently on February 17, 2017.
8. The revised Proposed Parking Plan reduces parking to a level below the zoning requirement, with 96 spaces required and 40 proposed. Zoning relief was sought for a total of 56 spaces and 326 vehicle storage spaces.
9. Any adverse effects of the Petitioner's proposed use will not outweigh its beneficial impact to the Town, or the neighborhood, in view of the particular characteristics of the site and the proposal in relation to that site.
10. The Petitioner's proposed use will not have a material adverse effect on the value of the land and buildings in the neighborhood, or on the amenities thereof, or be detrimental to the normal use of the adjacent property, and it will not be injurious or dangerous to the public health or hazardous because of traffic congestion, or other reason, and any adverse effects of the proposed use do not outweigh its

beneficial aspects, all in view of the particular characteristics of the site and of the proposal in relation to that site.

11. The Petitioner has met all the requirements for an amendment to a Special Permit pursuant to the Westwood Zoning Bylaw.

DECISION

The Board of Appeals voted unanimously to grant the Petitioner's request for an amendment to the original Special Permits granted to 60 Glacier Drive and 90 Glacier Drive at a hearing dated April 26, 2017 to substitute the previously approved parking plan with the revised parking plan.

1. A total 541 on-site parking spaces are shown on the plan entitled "Proposed Parking Plan Prime Motor Group 60-90 Glacier Drive Westwood MA" prepared by Kelly Engineering Group Inc. Sheet 2, dated June 18 2015, approved by the Planning Board on June 15, 2015 and revised on September 3, 2015 and February 17, 2017
2. This Special Permit amendment shall not take effect until a copy of the Decision, bearing the certification of the Town Clerk that twenty (20) days have elapsed after the filing of the decision and either that no appeal has been filed or that an appeal has been filed within such time period, is recorded in the Registry of Deeds and indexed under the name of the property owner of record and the parcel address. A copy of these recordings shall be provided to the Building Commissioner, Town Clerk and the Board of Appeals.
3. **The person exercising rights under a duly appealed special permit does so at risk that a court will reverse the permit and any construction performed under the permit may be ordered to be undone.**
4. This Special Permit shall lapse within a specified period of time, of not more than two (2) years, which shall not include such time required to pursue or await the determination of the appeal referred to in Chapter 40A, Section 17, from the grant thereof, if a substantial use thereof has not sooner commenced except for good cause or, in the case of a permit for construction, if construction has not begun by such date except for good cause. Prior to the expiration of the Special Permit, the Applicant may apply for an extension of the Special Permit for a period not to exceed one (1) year if the substantial construction or use thereof has not commenced for good cause.

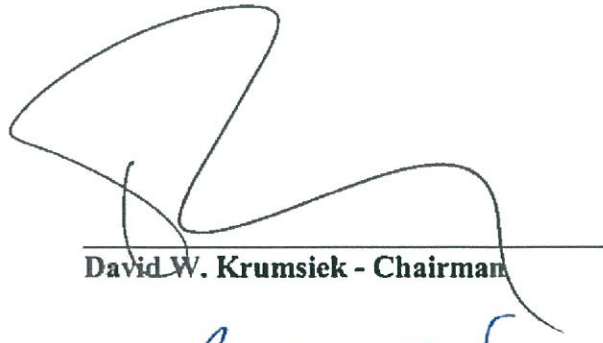

RECORD OF VOTE

The following members of the Board of Appeals voted to grant the Special Permit for the above mentioned project: David W. Krumsiek, Douglas C. Stebbins and John F. Lally.

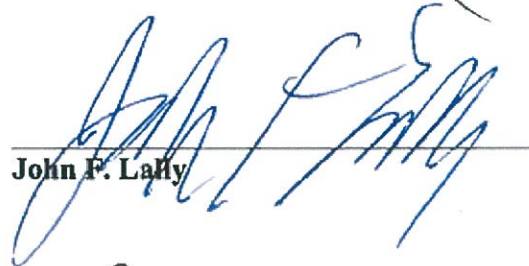

The following members of the Board of Appeals voted in opposition to the grant of the Special Permit: None.
